FOUR MEN SUFFOCATED

Exact Facts About the West
Virginia Disaster.

A CARELESS POLE CAUSED IT.

He Ignited a Can of Powder in a Mine
Near Fairmont—A Terrible Explosion
Followed—A Number Seriously but Not
Fatally Injured.

WHEELING, May 22.—The first reports
of a disastrous explosion at the Monongah
mine, near Fairmont, were wildly
exaggerated, and a number of very sen-
sational stories have been sent out over
the country. The exact facts are as
follows:
A Pole carelessly ignited a can of
powder in Mine No. 4 of the Monongah
Coal and Coke company, and a terrific
explosion followed. The accident oc-
curred in the main air course leading
to Mine No. 2, about 500 feet from the
mouth of Mine No. 4, and the smoke
was thus driven through the different
parts of the mine, suffocating four
miners. Quite a number of others were
seriously but not fatally affected by the
smoke.

The names of the dead are: C. L.
Bercher, an old man, who leaves a large
family; William Shaver, aged 15; Luke
Verika and Andrew Danico. The last
two are foreigners.
Mine Inspector D. M. Harr is on the
ground and is making an investigation.
An inquest will be held today. The
Monongah mines are the principal
fields in the Upper Monongahela coal
field, and the company is headed by ex-
United States Senator Camden.

FOURTEEN PERSONS KILLED.

A Deadly Nitroglycerin Explosion Occurs
Near San Francisco.

SAN FRANCISCO, May 22.—A terrific
report and concussion, which was dis-
tinctly felt all through this city and
towns around the bay for a distance of
40 miles, proved to be an explosion in
the nitro-glycerin and mixing houses of
the California powder works at Pinalo,
across the bay. The crew of the glycer-
in house, four in number, and the fore-
man of the mixing house were all
killed, as were nine Chinese working in
the latter department. The explosion
occurred in the nitro-glycerin house and
was probably caused by the Chinese
dropping a can of the explosive.
Demands will also be made for
an increase of wages in some in-
stances. The strike is not likely to be
ordered, if it shall be ordered, before
Sept. 15.

Len's Murderers Known.
CONSTANTINOPLE, May 22.—Advo-
cates received here from Armenia saying
that the names of five Kurds, who are said
to be the murderers of Frank G. Lenz of
Pittsburg, who was killed while at-
tempting to ride around the world on a
bicycle, are known. It is announced
that William A. Sachtleben, who has
gone in search of the missing bicyclist
in the hope of recovering his body or
obtaining definite information as to the
cause of his disappearance, has arrived
at Erzeroum.

ROW BETWEEN ARISTOCRATS.
Marquis of Queensberry and Son Fight in
Piccadilly, London.

LONDON, May 22.—The fashionable
promenade in Piccadilly was well filled
with aristocratic spectators when the
Marquis of Queensberry met his son,
Lord Alfred Douglas, near the corner
of Bond street. A few words were
passed between them, and then there
was a brief, but very determined con-
flict. The police immediately separated
the combatants and took them both to
the police station. Lord Alfred's con-
temptance was disgraced with a black
eye. Neither the father nor the son
preferred a charge against the other, so
they were merely charged with disorderly
conduct.

Done With the Wilde Family.
NEW YORK, May 22.—Mrs. Frank
Leslie repudiates the alleged interview
in which she is reported as being about
to leave for Europe to visit Lady Wilde,
to console with her in her family
troubles. Mrs. Leslie says that she
severed her connections with the Wilde
family more than two years ago.

Thurston No Longer Minister.

WASHINGTON, May 22.—The official
service of Lorin L. Thurston as Hawai-
ian minister to the United States,
closed when Mr. Hank P. Hastings pre-
sented to the state department his cre-
dentials, which had just been received
as charge d'affaires.

Harrison on the Decision.

NEW YORK, May 21.—President Har-
rison, when asked for his opinion con-
cerning the decision declaring the in-
come tax to be unconstitutional, said he
was very busy and had read no opin-
ion to express beyond saying that "in
view of the mangled state the bill was
in, it was better it had met the fate it
did at the hands of the United States
supreme court."

Prove to Be Bank Robbers.

PANA, Ill., May 21.—The men giving
their names as Lawrence Sullivan,
William Monroe and Robert G. Law-
rence, tramps, arrested at Taylorville,
proved to be burglars who robbed the
bank of Olin, Ind., of \$4,500 in coin
and currency. Tools found in their
possession have been fitted to the safe
of the robbed bank.

Rumors of Roseberry's Resignation.

LONDON, May 21.—Wild rumors were
in circulation in the lobby of the House
of Commons to the effect that Prime
Minister Lord Roseberry had resigned or
was about to resign, and that a dissolu-
tion of parliament was impending, and
that it would probably take place next
month. No confirmation of these ru-
mors could be obtained.

Harrison and McKinley to Meet.

NEW YORK, May 21.—General Har-
rison will have the pleasure of dining
Governor McKinley in this city on May
30, if the programme of these two gen-
tlemen is not changed in the meantime.
Governor McKinley has expressed his
willingness to speak at the memorial
services at Grant's tomb to be held on
that date.

Chicago Brokers Fail.

CHICAGO, May 21.—Crawford & Val-
entine, one of the largest stock and
grain brokerage firms in this city, has
made an assignment. They were caught
"short" on the wheat market. Mr.
Boyd of the Chicago Title and Trust
company has been put in charge.

Still Annoying Japan.

ST. PETERSBURG, May 21.—Russia
France and Germany have requested
Japan to indicate to them the amount
of indemnity she requires as compensa-
tion for abandoning the Liao-Tung pen-
insula, in order to hasten negotiations.

JOSE MARTI KILLED.

President of the Cuban Revolutionary
Party Dies in Battle.

HAVANA, May 22.—An engagement
disastrous to the rebels has been fought
in Eastern Cuba, in which Jose Marti,
who was proclaimed president of the
Revolutionary party, was killed and
his dead body positively identified.
Colonel Salcedo received positive in-
formation that a band of insurgents
under the command of the well-known
leaders, Jose Marti, Maximo Gomez,
Maceo and Barrero, had taken up a
line of march to pass the River Nauto,
thence to proceed in the direction of
Victoria de Las Tunas, with the design
of marching upon Puerto Principe.

One of the Most Peaceful That Has Ever
Occurred in the West—The Crowd Com-
paratively Small—Much Valuable Land
Yet Remains Vacant.

ARMOUR, S. D., May 22.—The open-
ing of the Yankton reservation was not
characterized by the formality and dis-
cipline heretofore attending the open-
ing of vast bodies of Indian land. The
fact that sooners were not prevented
from going upon the land prior to the
hour when lawful settlement could be
made, rendered the settlement of this
reservation a sort of free-for-all.

In addition to those who had taken
possession of claims during the past
few weeks, other sooners had been
quietly going upon the reservation dur-
ing the 24 hours before the opening,
while scores awaited the hour when the
reservation was declared lawfully
opened. Today the newly-opened land
is dotted with the shanties of home-
steaders, and preliminary steps toward
the cultivation of land have been com-
menced. The opening was without
conflicts of a serious nature and was
without incident, in this particular, the
most orderly opening of Indian lands
that ever took place in the west.

While the number of homesteaders
who have taken land on the reservation
is very gratifying the magnitude of the
crowd was not up to expectations.
Among people living in the vicinity of
the reservation the reason given for this
is that too short a notice was given in the
president's proclamation and that land-
less men who did not read the daily
papers were not aware that the reserva-
tion was to be opened. The land is
really valuable and what remains vacant
will be rapidly taken.

FULL OF SOONERS.
They Have Selected Choice Lands in the
Kickapoo Country.

OKLAHOMA CITY, O. T., May 22.—The
Kickapoo country, which will be opened
to white settlement tomorrow at noon,
is full of sooners and more are going in
constantly. These men are very bold
in their stand, and there can be no
doubt that the move will be practiced
on all sides.

The people of Chandler and Tecumseh,
who several times during the past two
months were fooled by couriers rid-
ing into the town with the announce-
ment that the Kickapoo country was
open to settlement, and who rushed
pell-mell into the reservation and staked
off claims, have discovered that an
organization of the old Kickapoo boom-
ers, who have been camped on the line
for years, have all of their names, the
date of their runs, and the location of
the claim each one staked, to be used
in proving them sooners, and the false
alarms were a little scheme of the old
timers to shut off much competition in
the real opening. There is much bad
feeling over the matter and there may
be trouble between the two factions on
tomorrow.

THE AMALGAMATED CONVENTION.

Delegates Welcomed by the Mayor of
Cleveland—Porter Speaks.

CLEVELAND, May 22.—Mayor Mc-
Kisson welcomed the delegates to the
twelfth annual convention of the Amal-
gamated Association of Iron and Steel-
workers today. Hon. Robert E. Porter
also made an address.
Among the rules adopted to govern
the convention was one which provides
that any delegate other than the secre-
tary, upon being convicted of giving out
information concerning the work of the
convention to the newspapers, shall be
liable to expulsion.
President Garland appointed commit-
tees on iron wage, steel wage, president
and officers, constitution and general
laws, auditing, ways and means and
appeals, claims and appeals, secret work
and mileage.

Situation Unchanged at Pocatonga.

POCATONGA, Va., May 22.—The con-
ditions here are unchanged. Private
Fields, who was struck with a stone, is
now badly hurt, and the negro who
struck him has been arrested. All the
white miners who were arrested have
been released. The Richmond militia
company left for home this morning,
and will be supplanted by the Port-
smouth company. The council and
board of trade here have asked Gov-
ernor O'Fallen to suspend picket guard
on the 23d, as the town and county of-
ficials are elected on that day.

An Ex-Bank President Arrested.

LOS ANGELES, May 22.—Charles W.
England, an attorney of this city, has
been arrested by Deputy Sheriff Eagle
of Tonoka, Ark. England was once
president of a bank at Lanabes, near
Little Rock, and is charged with em-
bezzlement of county funds to the ex-
tent of \$7,000. England says that his
arrest is the result of spite work.

Declared For Free Silver.

cratic executive committee, after a spir-
ited discussion of the resolutions which
reaffirmed the party's declaration in
the state convention in favor of the free
coinage of silver at 16 to 1, adopted
them by a vote of 29 to 1.

A Seattle Bank Fails.

SEATTLE, Wash., May 22.—The first
failure of a national bank in this city
occurred when the Merchants' National
bank closed its doors. It was an-
nounced that it would not reopen. The
bank was incorporated in July 21, with
a capital stock of \$300,000.

Free Silver Coinage Endorsed.

MILWAUKEE, May 22.—At the session
of the International Horsemanship con-
vention, resolutions were adopted en-
dorsing free coinage of silver. A silver
homestead will probably be adopted as
the badge of the order.

Composer Von Suppe Dead.

VIENNA, May 22.—Franz Von Suppe,
the musical composer, is dead.

Sentenced For One Year.

WAPAKONETA, O., May 21.—Judge
Mooney has sentenced John C. Hussey,
ex-convict of courts of Shelby county, for
presenting false claims to the county
auditor to the penitentiary for one year.
There were six indictments and the
other five were nolle.

Shot by His Wife.

WEST JEFFERSON, O., May 21.—Theodore
White, colored, a farmer, two
miles west of here, was shot in the
stomach and fatally wounded by his
wife during a family quarrel.

Rosenthal's are leaders in clothing.

COULD NOT COMBINE.

Anti-saloon League Failed to Capture
the Law and Order
Society.

The meeting of the Anti-saloon League
Workers and the Law and Order men was
held in the Y. M. C. A. last night. The anti-
saloon men had their plans to gobble up the law
and order men but they failed to do so.
Rev. Brad of Cleveland engineered the move-
ment and the meeting and it looks as if the
whole business would be turned over to the
Anti-saloon League. Just before the question
was put John Danner jumped up and gave his
opinion. He had not much to say of the
anti-saloon league. The members howled
anti-saloon for 304 days a year and on the
305th voted for the saloon. Mr. Danner thinks
the anti-saloon league is like the old union
that was gotten up by a lot of republicans
a dozen years ago to sort of ease the
conscience of the republican voters and keep
them in the party so they won't go to the
prohibs.

Mr. Danner's speech threw a wet blanket on
the union movement and each society agreed
to persevere in their own course but to co-operate
to elect officers. They had a hard time getting
any to serve. Messrs. Danner, Herman, Blum
and others declined. Finally the following were
elected: President, T. T. O'Malley; first vice-
president, George Sauterberg; second vice-presi-
dent, J. W. Cunningham; third vice-president,
Homer Miller; secretary, Joel L. Webster;
treasurer, J. J. Ashenbush. It is the purpose
of the league to have on its executive com-
mittee representatives from all the churches
of the city, from the Epworth league, Christian
endeavor, young people's societies and W. C.
T. U.

The next meeting will be held in the Y. M.
C. A. parlors, Wednesday evening May 23.

NIMISHILL TOWNSHIP TEACHERS.

The Nimishillen Township Teachers'
Association met at Linden Hall, Satur-
day evening, May 18, 1895.
The exercises were opened with a song
entitled, "Over the Silvery Sea." After
the roll call and the minutes of the previ-
ous meeting read and approved Mr. Sum-
mers gave the report of the officers who
were elected to make arrangements for a
twelfth annual convention. They have ar-
ranged to have a picnic at the Fairmount
Children's Home on Friday, May 31, and
desire to have all of the schools of the
township represented, and to have the
teachers do all possible to make it a suc-
cess.

The regular program of the institute
was as follows: Recitation, "Times"
Silent Lesson, Miss Lucetta Shaffer;
lecture, "The Teacher," J. R. Snyder;
duet, "
